

Because of the very late bloom season in some parts of the country, the following cultivars were not available before the catalog went to press and are listed here as an addendum to the catalog:

- \$8** **ANDROMACHE** RC (VanTubergen 1915) S. lavender violet with distinct veining; F. white with thick maroon purple veining, large purple signal.
- \$5** **MERLIN'S MAGIC** RH (Jensen 1985). S. dark maroon brown, electric violet flush on midrib; lavender pink styles, cocoa brown crest; F. very dark brown, violet flush below beard; beard yellow white in throat, light lavender at tip; slight sweet fragrance. An advanced-generation *I. stolonifera* hybrid.
- \$8** **TEUCROS** RC (VanTubergen by Aril Society 2000) S. lilac pink, fine dark pink veining; F. silvery white flushed pink, maroon signal, fine maroon veining; maroon black beard.
- \$8** **THOR** RC (VanTubergen Unregistered) S. white heavily veined purple; style arms and falls white lightly veined purple; maroon signal, blue beard.
- \$10** ***I. stolonifera*** - White beard
- \$10** ***I. stolonifera*** - Blue beard
