

A QUICK GUIDE TO USING THE ON-LINE SHOPPING CART SYSTEM

GET STARTED

You can set up an “account” which will let you review your orders and enter your info so you don’t have to enter it each time you order.– NO FINANCIAL INFORMATION IS KEPT.
Preferred method.

If you wish to skip this step, you can proceed as a guest, but you will **NOT** be able to review your order once you leave the site.

To set up an account, click on “**My Account**” at the top right corner, select “**Register**” and fill in the information. When you return to the site in the future, click “**My Account**” and “**Login**”.

START SHOPPING

Click on **ASI Plant Sale Item** on the blue bar. It will bring up the plants that are for sale in alphabetical order. It displays 15 items to a page. You can adjust that by selecting a different number from the “**SHOW**” box.

If you wish to search for specific items, enter a “%” (no quotes) in the “**SEARCH**” box at the top. It will bring up all the items in the store AND some ways to narrow your search. If you ever get lost in the site, either click on the blue box again or enter the % in the search box and you will get back to the main screen.

DO NOT USE YOUR BROWSER BACK BUTTON - it does not always work the way you think it will, and can get you lost or cause problems for you.

Search Criteria Options (optional)

1. **LOOK AT EVERYTHING** – Enter a “%” (no quotes) in the “**SEARCH**” box at the top any time you want to see all items (same as using the blue box option).
2. **LOOK FOR A SPECIFIC TYPE OF ITEM** – the items have been categorized. Select the category you want from the **rightmost box under “Search Criteria”**.
3. **LOOK FOR A SPECIFIC ITEM BY FULL OR PARTIAL NAME** – type in a partial or full name in the **leftmost box under “Search Criteria”**. If you want CROWN OF SPLENDOR, you can type in CROWN OF SPLENDOR, or CROWN, or SPLENDOR (capitals not required). Only those items that match your criteria will display.

SELECT YOUR ITEMS

1. Check the available quantity to be sure it is not sold out.
BE ADVISED - WARNING: The available quantity decrements **AFTER** orders are completed at Checkout. It may be available when you started, but be

gone when you get to checkout – someone else who wanted it got thru checkout before you did. If you inadvertently add more quantity than is in stock, it will NOT tell you until you are in checkout, and will prevent you from checking out without fixing it.

2. If you only want 1 (one), click “**ADD TO CART**”.
3. If you want more than one, click “**ADD TO CART**” as many times as the quantity you want.

CHECKING WHAT IS IN YOUR CART

You can check to see what is in your cart at any time by clicking on the **black shopping cart bar** at the upper right corner.

You can **delete any item** by clicking on the **red box**.

You **CAN NOT** change quantity here. See “Changing Quantity on an Item Already in Your Cart”, below.

CHANGING QUANTITY ON AN ITEM ALREADY IN YOUR CART

1. While shopping, **use this method ONLY** – other ways lead to problems.
2. Click on the **black shopping cart bar** at the upper right corner.
3. Click “**VIEW CART**”

Change the quantity on the item AND click on the little **blue box (update cart)**.

You can also **delete items** here by clicking on the little **red box (delete)**.

To **return to shopping**, click “**Continue Shopping**” at the bottom left. Unfortunately, this takes you back to the blank beginning screen and you will need to reselect “**ASI Plant Sale Item**” from the blue bar or re-enter your search criteria (%).

You can also **proceed to Checkout** from here by clicking on the **blue CHECKOUT button** at the bottom right.
