**MEMBERSHIP:** **ASI Plant Sale is for ASI members only.** New members are welcome to join at the sale. **Membership is offered in the online catalog.** Dues for an individual are \$17.50 annually or \$50.50 triennially; family dues are \$21.00 annually or \$54.00 triennially, life membership is \$150, payable to The Aril Society International.

**ORDERS:** All cultivars listed are available to ASI members in the USA, the UK, the EU, and Canada. **We are unable to ship to other countries.**

**ONLINE** – The preferred method to order. Go to [www.arilsociety.org](http://www.arilsociety.org) then select Plant Sale. PLEASE READ THE "QUICK GUIDE TO USING THE CART SYSTEM" in this newsletter before attempting to use the on-line ordering system. It will help you to use the online system properly.

**BY MAIL** - If you must order by mail, use the order form from the catalog or print one off the website. Count the rhizomes ordered and total the extended prices to the TOTAL DUE line. Mail with your payment to the address on the order form (also listed below). **BE AWARE:** your chances of ordering a sold out variety are very high because of the mail delay, especially for limited quantity cultivars, so please be sure to indicate substitutions.

**BY EMAIL or PHONE** – send orders to:

seandelirises@yahoo.com or call 972-816-3418

**PAYMENT:** All payments must be in U.S. Dollars.

**For Online orders:** use the PayPal button on the webpage. YOU DO NOT NEED A PAYPAY ACCOUNT. The PayPal button will allow you to pay with a credit card. The payment link is a secure connection.

**For Mail orders:** include a check or money order with your order. Make checks/money orders payable to **ARIL SOCIETY INTERNATIONAL**.

**For Email or Phone orders:** payment by Paypal is preferred. If you insist on sending a check or money order instead of using PayPal, it MUST be received within 5 days of your order (7 for International and Canada) or your reserved plants will go back into the available inventory and may not still be available when payment is received.

**CALIFORNIA RESIDENTS** must include California Sales Tax of 7.75% (.0775) on the plant cost.

**AVAILABILITY:** Although we want to send you exactly what you ordered, that is not always possible. We are not a commercial garden and all rhizomes are donated by ASI members. You will stand a better chance of getting what you request if you order promptly and do so by using the online shopping cart. Be sure to check the available quantity on the website before ordering by mail. Even then, it may be sold out by the time your order arrives.

**REFUNDS:** If you indicate "NO SUBSTITUTIONS" on the order form or in the Comments option online, ASI will refund the cost of any varieties that are not available at shipping time. Refunds will be in the form of a check sent after the sale closes. You may also choose to designate your refund as a donation to ASI.

**SUBSTITUTIONS:** If you will NOT accept substitutions, indicate on the order form or in the Comments option online, otherwise we will substitute varieties of equal or greater value. PLEASE supply a list of preferred substitutions in the Comments option online, or for mail-ins, write SUB in the quantity field of those cultivars you prefer. If no list is supplied, we will substitute with varieties of our choice.

**ACKNOWLEDGEMENT:** All mail-in orders with an email address will be acknowledged. PLEASE PRINT EMAIL ADDRESS CLEARLY. If you gave one and don't receive an acknowledgement, it is because we couldn't read it. Online orders are automatically generated by the shopping cart system.

**EXTRAS:** We try to include something extra with each order. The number and value of your extras will depend on donated rhizomes and will be at our discretion. Your substitution list will be used as a guide when possible.

**INTERNATIONAL ORDERS:** **All cultivars listed are available to ASI members in the UK, the EU, and Canada ONLY. We cannot accept orders from other countries.** Order through the on-line shopping cart and pay by Paypal in U.S.Dollars, ONLY. Extra international phyto certificate and shipping costs apply.
