AVAILABILITY: Although we want to send you exactly what you ordered, that is not always possible. We are not a commercial garden and all rhizomes are donated by ASI members. You will stand a better chance of getting what you request if you order promptly and do so by using the online shopping cart. Be sure to check the available quantity on the website before ordering by mail. Even then, it may be sold out by the time your order arrives.

REFUNDS: If you indicate "NO SUBSTITUTIONS" in the Comments option online, ASI will refund the cost of any varieties that are not available at shipping time. Refunds will be in the form of either an adjustment made at fund capture time for Paypal payments or a check sent after the sale closes. You may also choose to designate your refund as a donation to ASI.

SUBSTITUTIONS: If you will NOT accept substitutions, indicate in the Comments option online, otherwise we will substitute varieties of equal or greater value. PLEASE supply a list of preferred substitutions in the Comments option online, or for mail-ins, list those cultivars you prefer. If no list is supplied or those cultivars are not available, we will substitute with varieties of our choice.

ACKNOWLEDGEMENT: All mail-in orders with an email address will be acknowledged. PLEASE PRINT EMAIL ADDRESS CLEARLY. If you gave one and don't receive an acknowledgement, it is because we couldn't read it. Online orders are automatically generated by the shopping cart system.

EXTRAS: We try to include something extra with each order. The number and value of

your extras will depend on donated rhizomes and will be at our discretion. Your substitution list will be used as a guide when possible.
